As Board President **Mariah Snyder ’60** stated in her letter, “the Centennial events will have a price tag attached.” What she didn’t mention is that this price tag will be much larger than the usual Reunion costs.

In hopes of covering these costs *without making the registration fee significantly higher*, the Winona Community Foundation has established the **CST Fund**. Donations made to this fund are tax-deductible. The **CST Fund** will gladly accept donations from individuals or groups.

100% of the Alumnae Association Board Members have participated in the Winona Community Foundation’s **CST Fund**, which totals **\$7,585** as of June 2006. *Will you help to increase your class participation level?*

Please give today to help make this celebration a cherished moment for all!
